Natural Plant Material/Fibers

*Provide common & scientific name of the plant/fiber/wood, the country where the plant/fiber/wood was harvested, and quantity of plant material in the product. Note: Country of harvest is not the country of manufacture/origin. Include breakdown by component if more than 1 type of plant/fiber/wood. Note: % of recycled material - if product is paper or paperboard, enter % of recycled material it contains.

Component (e.g. chair legs, etc.)	Common Name	Country of Harvest	Genus	Species	% of recycled material	UOM (kg) This value should reflect how much plant material is in the product
Wings&Tail	Common reed	China	Phragmites Adans.	Phragmites australis (Cav.) Trin. ex Steud.	0	0.0348
Neck&Back&Chest	Sisal hemp	China	Agave L.	Agave sisalana Perrine	0	0.029

Note: UOM is the Unit of Measure and must be stated in kilograms (KG). This UOM should only reflect the content of the plant material in the product e.g. bamboo, wood, etc. and not necessarily the product as a whole if made up of multiple materials.

Component (e.g. chair legs, etc.): Wings&Tail

Common Name: Common reed

Country of Harvest: China

Genus: Phragmites Adans.

Species: Phragmites australis (Cav.) Trin. ex Steud.

% of recycled material: 0

UOM (kg) This value should reflect how much plant material is in the product: 0.0348

Component (e.g. chair legs, etc.): Neck&Back&Chest

Common Name: Sisal hemp

Country of Harvest: China

Genus: Agave L.

Species: Agave sisalana Perrine

% of recycled material: 0

UOM (kg) This value should reflect how much plant material is in the product: 0.029

*Complete the following information for EACH plant material in this product. List each plant material SEPARATELY.

Component part containing plant material	Plant Material name	Provide measurement in CM of widest part on component	Painted (Y/N)	Fumigated (Y/N) and describe process	Lacquered (Y/N)	Dried (Y/N) and describe drying process, e.g. sun dried, oven dried, etc.	Other Treatment (describe)	Bleached (Y/N)	Have the seeds been removed (Y/N or N/A)
Wings&Tail	Common reed	20CM	N	N	N	sun dried	N	N	N/A
Neck&Back&Chest	Sisal hemp	13CM	N	N	N	sun dried	DYED-dip dye some sisals in the dye bath with aqueous solution for an hour	N	N/A

*This product may contain seeds?

No

*If this product has been dried, please advise process for drying, including how it was dried (sun, oven, etc.), and duration of drying.

Sun dried, 1 DAY

Component part containing plant material: Wings&Tail

Plant Material name: Common reed

Provide measurement in CM of widest part on component: 20CM

Painted (Y/N): N

Fumigated (Y/N) and describe process: N

Lacquered (Y/N): N

Dried (Y/N) and describe drying process, e.g. sun dried, oven dried, etc.: sun dried

Other Treatment (describe): N

Bleached (Y/N): N

Have the seeds been removed (Y/N or N/A): N/A

Component part containing plant material: Neck&Back&Chest

Plant Material name: Sisal hemp

Provide measurement in CM of widest part on component: 13CM

Painted (Y/N): N

Fumigated (Y/N) and describe process: N

Lacquered (Y/N): N

Dried (Y/N) and describe drying process, e.g. sun dried, oven dried, etc.: sun dried

Other Treatment (describe): DYED-dip dye some sisals in the dye bath with aqueous solution for an hour

Bleached (Y/N): N

Have the seeds been removed (Y/N or N/A): N/A
